

# Bachelor of Science in Psychology

Your light, focused and strong, is what the world needs. This program helps you do more, equipping you with skills to embark on a rewarding career where you will help people improve their mental well-being. At PBA, we offer guidance that focuses on biblical, historical, theoretical and practical studies. Combined with our thriving community connections, we help you develop skills to improve the lives of others through your efforts within a business, counseling center or ministry.

## Your passion. Our guidance.

We've engineered our program to deliver specific benefits such as:

- + A collaborative environment where you work closely with faculty and your fellow students.
- + The infusion of Christian values so that you learn among students and professors who share your perspective.
- + Small classes of no more than 20 students.
- + An emphasis on teaching to adults who have real-world experience.
- + Hands-on learning experiences that include interactions with professionals who work in the field.
- + Preparation to continue your studies in the Master of Science in Counseling program.

## To be the brightest, learn from them.

PBA's programs are known for rigorous academics taught by faculty experts who have applied their knowledge to professional situations.

## Supporting your desire to shine.

You don't have to put your whole life on hold to earn your degree.

- + Classes are held in the evenings in West Palm Beach and Orlando, or Online.
- + You can make a real difference through virtual study. Online programs make learning more convenient than ever. We've developed a virtual experience that is challenging, rewarding, and focused on fostering a positive learning community.
