Paper application fees must be paid in U.S. dollars by check/money order or wire transfer. Comprehensive Course-by-Course Report - \$190 (\$160 online) (per application, regardless of the number of documents)
This comprehensive evaluation report is designed for, and preferred by, academic institutions and licensing boards. It identifies each credential and gives its U.S. equivalent. In addition, it provides a breakdown of all post-secondary study in terms of U.S. semester credits, grade equivalents, a grade point average (GPA) calculated on a 4.0 scale, and designates the level of undergraduate courses.

Document-by-Document Report - \$130 (\$100 online) (per application, regardless of the number of documents)
This report identifies each credential and gives its U.S. equivalent. It is generally used for employment and immigration purposes.

- 2nd Day Air (U.S. only) @ \$20 per address.

Additional Reports

Our basic service includes sending one official copy of your evaluation report to you and, when requested at the time of application, one to the recipient of your choice. Additional reports requested at the time of the initial application are \$30 per report. For reports requested after the evaluation has been completed, the fee is \$50 for the first report and \$30 for each additional report.

- Sealed Envelope Service — Recipients generally require that the official evaluation report be sent to them directly by WES. If you are ordering additional reports that you plan to submit for official purposes at a later date, we advise that you request our Sealed-Envelope Service. WES will send reports to you in specially marked and sealed envelopes that most recipients will accept as official. The fee for this service is \$5 per sealed envelope.

Fees are subject to change. Fees are not refundable once an application is submitted.

How to Submit Documents

WES adheres to rigorous documentation and evaluation procedures to prepare evaluations that are accurate and recognized in the United States.

The documents that WES requires are specific to each country of education.

To ensure that your evaluation is prepared without delay, please follow the instructions for your country of education as provided at: <wes.org/required>. WES does not accept any personal copies of documents. If personal copies are submitted, they will not be returned.

Translations into English: If the academic institution that you attended does not issue documents in English, you must submit precise word-for-word translations of all your credentials. To have your documents translated, you may contact **University Language Services (ULS)** at <www.alsintl.com/university.htm> or call them at 800-419-4601. (Outside the U.S., call 001-212-766-4111) This information is provided for your convenience only. All arrangements must be made directly with ULS or the translator of your choice.

WES Procedures & Policies

WES evaluates only formal educational credentials issued by recognized or accredited institutions. WES reserves the right not to accept an application for evaluation.

WES reserves the right to verify any documents, regardless of the manner in which they are received. WES verifies the authenticity of educational credentials and will not issue an evaluation report until we are satisfied that all necessary credentials have been received. Furthermore, WES does not issue partial evaluation reports. All documents listed on an application must be received prior to the issuance of a report. In addition, all documents received by WES become our property and are not released to the applicant.

Request for Additional Information or Documents – If upon initial review of an application and documents, WES determines that additional documents and/or information is required, a request for the missing information is issued and the file is placed on hold until all the necessary material has been received to the satisfaction of WES.

Re-Evaluations – Requests for re-evaluation based on documents that were not submitted with the initial application constitute a new evaluation and a second payment of the basic fee is required. To change a previously completed document-by-document evaluation to a course-by-course report requires an additional payment of \$100.

From Course-by-Course to Document-by-Document – If WES determines that a course-by-course evaluation cannot be prepared, a document-by-document evaluation will be issued along with a refund of the difference in fees.

Document Verification Fees – Academic institutions in certain countries require the payment of a fee in order to verify educational credentials. When an institution requests such a payment, WES passes the request to the applicant who must pay the fee directly to the institution.

Fraudulent Documents – When any document submitted with an application for evaluation is found to have been altered, tampered with or forged, WES cancels the application and retains all the documents. Fees are not refunded. WES will notify all recipients indicated on the application form as well as other appropriate authorities.

Electronic Delivery – Many institutions and boards receive WES reports electronically, and in some cases this may be the only method of delivery. In such cases, standard delivery fee still applies.

Fees are not refundable once an application is submitted. Returned checks are subject to an additional fee of \$30.

NOTE: All fees subject to change.
