Parking Guide

pba.edu/parking
2026-2027

WELCOME TO PBA!

To assist you in finding authorized parking on campus, vehicles with a valid PBA permit may park in posted designated lots.

Please be aware of all designated parking areas as well as areas marked **No Parking**. The Department of Public Safety strictly enforces all parking regulations 24/7, and it is your responsibility to remain informed of these regulations while utilizing campus parking facilities.

Please Note: PBA does not enforce Parking regulations on any city roadways. The city of West Palm Beach has jurisdiction of all street parking.

Parking Registration

All vehicles on campus—including motorcycles, scooters, and bicycles—must be registered with the Department of Public Safety and display a valid parking decal. Decals should be placed on the driver's side rear window to avoid citations.

- Register online (instructions available at pba.edu/parking).
- For temporary and visitor passes, visit the Department of Public Safety office to register your vehicle and obtain a guest dash pass. Display your pass as soon as possible to minimize the risk of citation.

Parking decals are **not transferable**. If you sell your vehicle or bring a different vehicle to campus, update your registration immediately. The individual who registers the vehicle is responsible for any violations committed by anyone operating that vehicle.

The Department of Public Safety provides up-to-date parking regulations, permit information, and fine schedules at pba.edu/parking (myPBA login required).

Visitor Parking

Visitors must register their vehicle with Public Safety to receive a temporary guest pass and will be assigned an available parking area for their stay.

Family Church Downtown and Memorial Presbyterian Church

Our neighboring churches provide additional parking for PBA vehicles displaying a valid parking decal. However, during special events, these lots may be closed to PBA parking. Please observe and adhere to all posted signage in these areas.

Accessible Parking

Vehicles using ADA-accessible spaces must display both a valid PBA parking permit and a state-issued disabled parking placard or license plate.

Lost/Stolen Decal

Report any lost or stolen decal as soon as possible to the Department of Public Safety.

Towing/Immobilization and Payment of Fines/Appeals Policy

Vehicles found in violation of parking regulations may be cited, immobilized (booted), or towed if posing a danger to life or property. Charges and fines are assessed to the student's account. Unpaid fines will result in a hold on the student account, preventing actions such as course registration.

To appeal a citation, please follow the instructions provided on your receipt or visit pba.edu/appeal.

Reserved Parking Areas *permit required*

- J. Sachs Hall Parking Lot: Admissions use only for scheduled tours of prospective students.

	Resident Parking Areas		Department of Public Safety
	Commuter and Employee Parking Areas		Construction zone for new additions to the PBA Campus!
	Commuter Only Parking Areas		No PBA Parking Permitted Local Church Property
	Reserved Parking Areas		

Notes: A parking decal does not guarantee a parking space. It authorizes you to park in an available space within designated parking lots.

Parking in blacked-out (prohibited) lots is strictly prohibited.

The City of West Palm Beach maintains jurisdiction over all street parking near campus. Please observe and abide by all posted signage for payment instructions and regulations, which are enforced 24/7.
